Lesson Topic: Personal Safety

Objective:	Students will understand bodily autonomy and personal space. Students will know what to do if someone touches (or attempts to touch) them inappropriately.
Materials:	Personal safety video
	Rissy No Kissies By Katey Howes
	Student supplies: markers, crayons, glue, scissors, etc.
	Additional supplies: clothespins (2 per student)
Procedures:	Before reading book, start with a short personal safety video, such as Protect Yourself Rules or Pantosaurus .
	 After video(s), discuss: Private parts are areas covered by your swimsuit. NO ONE has the right to touch or look at your private parts, unless you're sick and need help from a doctor or parent. If anyone tries to touch or look at your private parts (or make you look at theirs) remember NO! GO! TELL! (Yell NO, GO away as quickly as you can, and TELL an adult you trust). Practice saying NO! GO! TELL! with class.
	Introduce <i>Rissy No Kissies</i> to class. Tell students that in this story, a little lovebird HATES kisses. Other birds expect her to like kisses, but she doesn't want them at all! No one tries to touch a private area, but she still has the right to say NO.
	 Read story to students. Possible questions to ask students: What does Rissy learn in this story? What can we learn from this story? What is personal space? If someone tries to touch a private area or just makes us feel uncomfortable, what do we do? (NO! GO! TELL!)
	After read aloud, students can make this craft: https://bit.ly/3cV9RWT

Grade: 2

Personal space is OK!
If someone makes me feel unsafe or uncomfortable, I should:

GO: Get away as quickly as I can.

NO: Yell, "NO! STOP!"

TELL: Tell a trusted adult.
